KOJIMA JEANS STREET

KOJIMA (児島ジーンズストリート) Jeans Street

児島の中心に位置する味野商店街、シャッターを閉めたまま使われなくなった商店街。この町を再生し、我々ジーンズを愛する者達が集う町に、2010年からスタートしました。ジーンズショップ、カフェ、ギャラリーなど個性溢れるお店を誘致し、ジーンズ文化を発信して行きます。

Long ago the Ajino shopping area was the center of old Kojima city. However it has since been abandoned.

In 2010, we, the crazy Jeans lovers of the city, united to start a dream project transforming this abandoned street into "Kojima Jeans Street".

Jeans shops, cafes and galleries came to join us in reviving the street. It has now become a hot spot for Jeans lovers. This street is a symbol of our history and culture with Jeans.

What is a natural indigo? How is it different from a regular indigo? Here you can experience our dyeing procedure of Japanese Ai (natural indigo) through your own hands. We value traditional techniques of the past masters: slow and meticulous dyeing, step by step. The importance of dedication. The subtle and tender feeling of texture on the skin. We want pass on our technique and philosophy to the next generation. *Reservation required for dyeing experience.
